The natural origin of the leather doesn't guarantee the grain and the colour.
L'origine naturale del pellame non garantisce la costanza della grana e delle tonalità delle tinte.

Pelli bovine pieno fiore di provenienza europea, conciate al cromo, tintura passante,
rifinite con oli e cere naturali. Aspetto liscio e lucido con leggero effetto bicolore.

Misura media Mq. 4,0/5,0. Spessore mm. 1,0/1,1
