The natural origin of the leather doesn't guarantee the grain and the colour.  
L'origine naturale del pellame non garantisce la costanza della grana e delle tonalità delle tinte.

Pelli vitellone fiore leggermente corretto di origine europea. Conciate al cromo e rifinite con emulsione di cera, che dona un'effetto di profondità del colore.

Misura media mq. 4,5/5,0. Spessore mm. 0,9/1,1
