The natural origin of the leather doesn't guarantee the grain and the colour.
L'origine naturale del pellame non garantisce la costanza della grana e delle tonalità delle tinte.

Pelli vitellone fiore provenienza Europea, conciate al cromo, tintura passante e rifinite con resine a cera paraffinate, che conferiscono sia un leggero effetto invecchiato sia un e leggero effetto pull-up.

Misura media mq. 4,5/5,0. Spessore mm. 1,6/1,8
