The natural origin of the leather doesn't guarantee the grain and the colour.  
L'origine naturale del pellame non garantisce la costanza della grana e delle tonalità delle tinte.

Pelli vitellone fiore di provenienza europea. Concia al cromo e rifinizione con delicati pigmenti e resine selezionate per ottenere una mano morbida e gradevole. Colorazione a tintura passante.

Misura media mq. 4,8/5,0. Spessore mm. 1,0/1,2.
